Margie,

I am working on the termination for Nuclear Medicine Inc. In order to terminate the license, please send me official confirmation from Cardiovascular Associates of Puerto Rico (License No. 52-25033-01) that they received the sources. Please have that letter signed by their management. In addition, please send me the last leak test data for the sealed sources that were transferred.

Let me know if you have any questions. Thank you.

Shawn
