Debbie,

As requested, I'm letting you know that today the Seabrook ASR license amendment was noticed in the Federal Register.

Hello Debbie,

Which time frame are you referring to when you say "what is the justification for selecting the time frames proposed?"

Yes I will send you an email when if/when the amendment is published in the Federal Register. I say if because we are still doing our acceptance review of the document. The amendment would only get noticed in the Federal Register if we accept the document for review. For more information on the acceptance review, I have attached our publicly available office instruction on how the staff performs acceptance reviews for license amendments (and other licensing actions).

Hello Justin,

We are reading the Seabrook License Amendment, we have a question. What is the justification for selecting the time frames proposed? We you contact me asap when the SLA is submitted into the Federal Reg on the day?

Thank you,

Debbie
