LICENSE AMENDMENT REQUEST

Dear Mr. Buckhanon:

This letter refers to your license amendment request dated December 16, 2016, and to our subsequent requests for additional information dated January 12 and February 1, 2017. Although you responded to our January 12, 2017, letter, it did not include all the required information, and we have not received your response to our February 1, 2017 letter. Therefore, as we discussed with you over the phone, you have agreed to withdraw your amendment request at this time. This action is taken without prejudice to the resubmission of your request at a later date. Please note that when you resubmit your application, refer to Mail Control No. 592589 for the documentation you have already submitted.

In accordance with 10 CFR 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records component of NRC's Agencywide Documents Access and Management System (ADAMS).
