Subject: Request for additional info
Attachments: Mid America Isotopes 592736 RAI.docx

Hey Brent and Jon,

Based on my review of your 12/23/16 amendment request and my phone discussion with Brent today (03/08/17), please find attached a Request for Additional Information.

You may respond back to me by email. Please attach your response as a PDF that includes a signed cover letter, and mark it as "Additional Information for CN592736".

If you have any questions, please let me know.

Thanks.
Bryan

Request for Additional Information

Mid-America Isotopes, Inc. - Ashland, MO (CN592736)

With regard to your letter dated December 23, 2016, please:

- 1) Please provide a brief description of how each of the new proposed areas will be used and describe major equipment, etc., to be used in each area.
- 2) Please describe how effluent monitoring will be accomplished for the new proposed areas.
- 3) Please provide an updated diagram to include the layout for each of the proposed area (counters, fume hoods, etc.).
- 4) Please provide the anticipated date when the remodel will be completed.
- 5) Please confirm that the construction workers have or will receive site specific radiation safety training commensurate with the potential radiation fields they will encounter while working in the pharmacy.
- 6) Please confirm that there will be an appropriate Mid-America staff member present during the remodel when construction workers are present.
- 7) Please confirm that all radioactive material will be properly secured prior to the construction workers entering the restricted area.
