PART I.C COMMENTS (Continued)

Please note:

Enclosed please find our Fourth interim response.

The responsive records are being withheld in part.

This is the best available copy of the responsive records the NRC has been able to locate.

The blank oval boxes cover notes added by the program offices to coordinate and communicate with each other (for example to indicate that a record should be referred to another office for consultation). These oval boxes were added to electronically erase penciled-in notes and do not cover any information included in the original version of these records.

Dear FOIA Requester:

The FOIA Improvement Act of 2016, which was enacted on June 30, 2016, made several changes to the Freedom of Information Act (FOIA). Federal agencies must revise their FOIA regulations to reflect those changes by December 27, 2016. In addition to revising our regulations, we intend to update the Form 464, which we use to respond to FOIA requests.

In the interim, please see the comment box in Part I.C of the attached Form 464. The comment box includes information related to the recent changes to FOIA that is applicable to your FOIA request, including an updated time period for filing an administrative appeal with the NRC.

Sincerely yours,

Stephanie Blaney /S/
