To Whom it May Concern,

This letter is written in response to your request for additional information regarding the transfer of control for license #34-26653-02. Please note the following:

The transfer of control did occur on January 1, 2016 and will be completed upon issuance of the final transferred license.

National Physics Consultants, LTD is a physics consulting corporation providing services to radioactive materials licensees. The company has been continuously in business since 1995. The company is wholly owned by three equal share partners, Sharon Long, Kelly Stoneberg and Robert Kobistek. Both Sharon Long and Kelly Stoneberg are currently authorized users identified on this license and hold a majority 2/3 of the stock.
