Dear Ms. Svinicki,

On behalf of the Autorité de sûreté nucléaire (ASN), it is with great pleasure that I extend to you my sincere congratulations on your nomination as Chairman of the United States Nuclear Regulatory Commission.

Since 2008, you had many occasions to witness the strong collaboration between our organizations on a number of issues in bilateral and multilateral contexts, the latest example being technical exchanges and a visit on the issue of decommissioning in Region III.

I wish you the best in your new position and look forward to working with you.

Sincerely,

Pierre-Franck CHEVET
President
