Madam,

On the occasion of your appointment as the new Chairman of the U.S. Nuclear Regulatory Commission, I would like to extend to you my warmest congratulations and best wishes for every success of this responsible duty.

We have personally met on several occasions during my visits to U.S. NRC and had opportunity to exchange views on regulatory issues in our countries. I have great confidence that your leadership of the U.S. NRC and your efforts to the safe and secure use of nuclear technology and materials will contribute to a high level of nuclear safety in the USA and countries around the world.

We are looking forward to a continued, close and good cooperation between the U.S. Nuclear Regulatory Commission and the Slovenian Nuclear Safety Administration.
the

Accept, Madam, the assurances of my highest consideration.
