

Removed per Regulatory Issue Summary 2015-17

The image shows a large, empty rectangular frame with a grid border. The grid consists of 10 columns and 9 rows. The columns are labeled with letters A through O at the top and bottom. The rows are labeled with numbers 1 through 9 on the left and right sides. The title "Removed per Regulatory Issue Summary 2015-17" is positioned at the top of the frame, spanning across the first few columns. The rest of the frame is empty, suggesting it was intended for a table or chart that has been removed or is yet to be created.
