Dear Mr. Shea:

Enclosed is the Corrected Copy of Amendment No. 9 for License No. 41-08165-18. During an internal review, we determined that the descriptions for items 6.A. and 6.B. were incorrect. We revised the descriptions from "any byproduct material..." to "any radioactive material..." to correctly reflect your authorization for byproduct, source and special nuclear material.

We apologize for any inconvenience this error may have caused.

Sincerely,
