Re: Docket No. 50-275  
Docket No. 50-323  
Diablo Canyon Units 1 & 2

Dear Mr. Engelken:

This letter is submitted in response to IE Bulletin No. 79-28 concerning Namco limit switches.

PGandE has 27 Namco limit switches date coded 04-79. We have contacted Namco regarding these switches and they will provide PGandE with gasket replacement kits for all these switches. Replacement of the gaskets will be completed by April 1, 1980.

Very truly yours,

Philip A. Crane, Jr. [Signature]

CC: Director  
Office of Inspection and Enforcement  
Division of Reactor Operations Inspection
