Docket No. 50-323

Subject: Review of Management and Technical  
Resources

Reference: USNRC Letter dated February 28, 1980,  
H. R. Denton to All Power Reactor  
Licensees

Dear Mr. Denton:

Your referenced letter on the above subject identified additional information required to evaluate the management and technical resources available at PGandE nuclear facilities. Your letter also indicated that a representative of Teknekron Research, Incorporated, would be contacting us to obtain the required information.

This is to advise you that on March 21, 1980 Mr. J. B. Hoch and Mr. J. D. Shiffer of our staff discussed this matter by telephone with Mr. James Powers of Teknekron and relayed all of the information requested in the attachment to your referenced letter. Mr. Powers indicated that the telephone conversation completed the action required in response to your letter.

Very truly yours,

*Philip A. Crane, Jr.*
