Re: Docket No. 50-275
Docket No. 50-323
Diablo Canyon Units 1 and 2

Dear Mr. Stolz:

Attached for your review is a draft copy of our report, "Evacuation Times Assessment Study for Diablo Canyon Nuclear Power Plant, April, 1980." This report will be reissued with possible minor changes as a Final Report about May 23, 1980, when the analysis of evacuation times of the Five-Cities area is completed. The Five-Cities analysis will be added to the report as an Appendix.

This report addresses the December 26, 1979 NRC letter, "Request for Information Regarding Evacuation Times" from Brian Grimes and is being submitted as requested at the Technical Review Meeting held November 29, 1979 at the Shore Cliff Lodge, Pismo Beach, California.

Kindly acknowledge receipt of this material on the enclosed copy of this letter and return it to me in the enclosed addressed envelope.

Very truly yours,

Richard F. Locke
