Re: Docket No. 50-275
Docket No. 50-323
Diablo Canyon Units 1 & 2

Dear Mr. Schwencer:

As requested in Mr. Stolz's letter dated March 3, 1980, we shall undertake a review and comparative analysis of our environmental qualification program for safety-related electrical equipment using NUREG-0588: "Interim Staff Position on Environmental Qualification of Safety-Related Electrical Equipment (Comment Issue)," as a basis for evaluation. We anticipate this undertaking will be complete by July 1, 1980.

We are continuing to compile data to meet your request of November 2, 1979 relative to the qualification of specific Class IE Instrumentation and Electrical Equipment, of which portions were sent to you on January 14, 1980 and March 20, 1980.

Very truly yours,

CC w/copies of 1/14 and 3/20/80 letters: Service List
