RESPONSE TO REQUESTS IN THE
BOARD'S ORDERS OF AUGUST 4 AND AUGUST 8, 1980

1. This Board's August 4, 1980 "THIRD PREHEARING CONFERENCE ORDER" instructed counsel to report to the Board by August 11, 1980 whether and to what extent Messrs. Cunningham and Kearns, of the California Office of Emergency Services, should be permitted to participate in the review of the applicant's security plan. Since counsel for the Governor will see such plan for the first time on August 11, 1980, which is necessarily the result of awaiting the Board's Order of August 8, we are not now in a position to make the necessary judgments and confer among counsel. Accordingly, we propose to review the plan with a view toward resolving this matter and conferring among counsel promptly. We expect to inform this Board of the result by August 15, 1980.

2. This is to inform the Board that the two counsel who will review the applicant's security plan on behalf of Governor Brown will be Herbert H. Brown and Lawrence Coe Lanpher.

Respectfully submitted,

Herbert H. Brown
