Mr. Moore

Today, August 20, Messrs. White and Seivers arrived at PG&E's San Francisco office at 1:00 p.m. to view PG&E's security plan. I arrived at 1:15 p.m.. Mr. Guiffrida, I have been informed, will arrive here shortly. We have been denied access to PG&E's security plan. PG&E's Chief of Security informed us that he does not have the combination to the safe which contains the security plan. Accordingly, we are unable to proceed at present even though we have scrupulously followed the procedures required by this Board and the procedures further imposed by PG&E.

Respectfully submitted,

Herbert H. Brown
Attorney for Governor Brown
