ORDER GRANTING ADDITIONAL TIME FOR
CONTENTIONS RELATIVE TO FUEL
LOADING AND LOW POWER TESTING

In the Board's order of October 2, 1980, October 27, 1980 was set for the filing of contentions by Governor Brown and the Joint Intervenors. On October 13, Governor Brown moved for deferring the filing date to December 3, 1980 because of other matters scheduled by the Appeal Board. On October 15, the Joint Intervenors also requested additional time to November 24, 1980 due to the Appeal Board commitments. By letter of October 17, 1980, the Executive Legal Director of the NRC Staff suggested that it would be desirable for the parties to meet to discuss the issues and possible stipulations.
