MOTION FOR RECONSIDERATION OF ORDER FIXING HEARING DATE

In its most recent Order, the Board fixed November 10, 1980 as the hearing date for the security proceeding. Upon review of the testimony filed by the participants, it appears that a full week will not be necessary for cross-examination and rebuttal. Accordingly, the uncertainty that faced the Board concerning the time required for trial has been resolved, and commencing the hearing on Tuesday, November 11 should not prevent completion of the hearing within the week.

Accordingly, for the reasons set forth by the Governor's counsel in the earlier pleading on this matter, we hereby move this Board to re-schedule the start of the security hearing to Tuesday, November 11. In the alternative, we request the Board to schedule the commencement of the hearing for 2:00 P.M. on November 10, an hour which accommodates the only flight schedule available to the Governor's lead counsel.

Respectfully submitted,
