Re: Docket No. 50-275
Docket No. 50-323
Diablo Canyon Units 1 and 2

Dear Mr. Miraglia:

In a letter dated December 16, 1980, Mr. Robert L. Tedesco requested that PG&E evaluate potential complicating factors for emergency response planning due to the effects of earthquakes.

PG&E is presently making this evaluation and will incorporate the results into the Diablo Canyon Site Emergency Plan prior to operation above five percent power.

Advance copies of this submittal have been sent by courier to Mr. Bart Buckley.

Very truly yours,

Philip A. Crane
