Re: Docket No. 50-275  
Docket No. 50-323  
Diablo Canyon Units 1 and 2

Dear Mr. Miraglia:

In response to NUREG-0588, enclosed are 40 copies of PGandE's Environmental Qualification Report for safety-related electrical equipment. The report is organized in a loose leaf format to facilitate incorporation of future equipment qualification information as it becomes available.

All safety-related electrical equipment at Diablo Canyon will be qualified in accordance with NRC requirements.

Kindly acknowledge receipt of this material on the enclosed copy of this letter and return it to me in the enclosed addressed envelope.

Very truly yours,

*Philip A. Crane*
