Dear Mr. Maneatis,

Attached hereto is a copy of a letter to Mr. B. H. Faulkenberry written by Paul Anderson and Ned Denison of our company that provides some clarification to the two exceptions listed in NUREG 0862.

The NRC did a very professional job in their review and report. After this searching investigation, they found that, except for two, all 200 of our changes were justified and that we had the justification in our files. As the attached letter shows, these two were also justified.

It should be clear to anyone reading the NRC report that absolutely no biased editing was done by anyone.

Yours truly,

*R. L. Cloud*
