Dear Mr. Denton:

In our March 25 meeting, we briefly described Bechtel Power Corporation's role in the completion of Diablo Canyon Units 1 and 2. In that meeting, we promised to provide additional information as Bechtel's role was more clearly defined. Attached for your information is an announcement letter and organization chart of the Diablo Canyon Project organization which integrates PGandE and Bechtel resources.

GENERAL INFORMATION BULLETIN

DIVISION OR DEPARTMENT **SR. VICE PRESIDENT FACILITIES DEVELOPMENT**

RE LETTER OF SUBJECT **Diablo Canyon Nuclear Power Plant Integrated Project Organization**

April 22, 1982

OFFICERS
DEPARTMENT HEADS
DIVISION MANAGERS

Mr. F. W. Mielke's letter of March 22, 1982, announced the engagement of Bechtel Power Corporation to act as project manager for the Diablo Canyon Project with responsibility for completion of the remaining work necessary to:

- Restore the Company's suspended low-power license for the plant
- Obtain a full-power license for the plant
- Complete construction of Unit No. 2
- Provide start-up engineering and construction support needed to bring both units into commercial operation

Effective immediately, the existing Diablo Canyon Project Organization is restructured as shown on the attached organization chart. Mr. Howard B. Friend of Bechtel Corporation is Project Completion Manager and will direct a closely integrated project team of PGandE and Bechtel personnel. Mr. Friend will report to me, and I will report directly to Mr. Mielke on all matters relating to the Diablo Canyon Project.

Reporting to Mr. Friend will be a Management Team which will direct the day-to-day work required to bring Units 1 and 2 into early commercial operation. The project team will be supported by a matrix of chief engineers, managers, and staff specialists from both companies. You will be notified of the location and telephone numbers of the project team members as soon as this information becomes available.

We welcome Mr. Friend and his Bechtel associates to PGandE, and look forward to working together to bring the remaining Diablo Canyon effort to an early and successful conclusion. I know I can count on your continued excellent support and cooperation:
