PROGRESS REPORT #16

This report covers our activities through June 23, 1982 with regard to our Independent Quality Assurance Audit and Reviews of the Diablo Canyon Unit 1 Plant.

On June 23, 1982, a verbal request was made to PG&E for QA Manuals and procedures of anticipated Phase II design consultants subject to Audit and Review.

Attended the June 10, 1982 program status and overview meeting at TES, Waltham, Massachusetts.

An RFR, Inc. Interim Report, covering the RFR determination of the Phase II Design Chain for service contractors who performed safety-related design activities prior to June 1, 1978 was drafted and submitted to TES for review and approval.

A meeting was held to review this Interim Report in TES Waltham, Massachusetts offices on June 21, 1982. The final approved revision of the RFR, Inc. Interim Report is under preparation.
