

JUN 27 1986

Docket Nos. 50-275, 50-323 / 86-17

Pacific Gas and Electric Company  
77 Beale Street, Room 1451  
San Francisco, California 94106

Attention: Mr. J. D. Shiffer, Vice President  
Nuclear Power Generation

Gentlemen:

Subject: NRC Inspection of Diablo Canyon Units 1 and 2

This refers to the inspection conducted by Mr. J. F. Burdoin of this office during June 2-6, 1986, of activities authorized by NRC License No., DPR-80 and DPR-82, and to the discussion of our findings held by Mr. Burdoin with Mr. R. C. Thornberry, and other members of your staff on June 6, 1986.

Areas examined during this inspection are described in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

No violations of NRC requirements were identified within the scope of this inspection.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room.

1. The first part of the report deals with the general situation of the country and the progress of the war. It mentions the fact that the war has been going on for a long time and that the situation is becoming more and more difficult. It also mentions the fact that the country is suffering from a shortage of food and clothing.

2. The second part of the report deals with the economic situation of the country. It mentions the fact that the economy is in a state of collapse and that the government is unable to pay its debts. It also mentions the fact that the population is suffering from a shortage of money and that the value of the currency is falling.

3. The third part of the report deals with the social situation of the country. It mentions the fact that the population is suffering from a shortage of housing and that the government is unable to provide for the basic needs of the people. It also mentions the fact that the population is suffering from a shortage of education and that the government is unable to provide for the needs of the young people.

4. The fourth part of the report deals with the political situation of the country. It mentions the fact that the government is unable to maintain order and that the country is in a state of chaos. It also mentions the fact that the population is suffering from a shortage of freedom and that the government is unable to provide for the needs of the people.
