Re: Docket No. 50-323, OL-DPR-82  
Diablo Canyon Unit 2  
Inservice Inspection and Testing Program Plan, Revision 3

Gentlemen:

Enclosed is Revision 3 of the Diablo Canyon Unit 2 Inservice Inspection and Testing Program Plan. Revision 3 is a complete reissue and supersedes all previous revisions. Technical changes from Revision 2 are identified by change bars in the margin.

Revision 3 incorporates the following technical changes: revised ISI boundary drawings, system pressure test summary and IST description to reflect Code Class 2 upgrade of containment penetration piping associated with Code Class 3 and non-safety-related systems; deletion and revision of various relief requests; and revision of Appendix B. These changes are committed to in PG&E letters DCL-86-101, DCL-87-012, DCL-87-079, DCL-87-095, and DCL-87-161. In addition, pipe hanger totals have been updated to reflect changes made as part of the snubber reduction program.

Kindly acknowledge receipt of this material on the enclosed copy of this letter and return it in the enclosed addressed envelope.

Sincerely,

Enclosure

\* NEC DOCUMENT CONTROL DESK

You have been issued a Controlled Copy of the Diablo Canyon ISI and IST Program Plan. Here is the next sequential revision to the Plan. Please revise your controlled copy as follows:

CHANGE INSTRUCTIONS

Revision 3 is a complete reissue. It contains numerous editorial and typographical corrections plus technical changes as detailed on the "ISI/IST Program Plan Changes" page. Change bars were added only to the substantive and technical changes.

All previous issues plus revisions of the Unit 2 Program Plan are obsolete. Remove all internals, except tabs, from the Program Plan binder and replace with Revision 3. Do the same for any other uncontrolled copies within your purview. The tab printed "List of NDE Calibration Standards" should be marked to read "Appendices."

---

For questions or assistance please phone the Document Control office, PGandE extension 691-4500, Pacific Bell phone (805) 595-4500.

---

After revising your copy of the Program Plan in accordance with these instructions, place the attached change description in the front of the manual behind the controlled copy numbered title page.

Please acknowledge receipt of this revision by signing below and returning this form to:
