RE: Amendment to Radioactive Material License No. 47-17929-01 *103013661*
Allecto Healthcare Services Fairmont LLC DBA Fairmont Regional Medical Center

To Whom It May Concern:

Our volume of I-131 cases has dropped to the point where we cannot justify continuing the practice. Please delete all references to 35.300 from our license effective immediately.

We have no I-131 on site and our last case was in February 2016. We have not received any new I-131 since February 2016. Any residual I-131 that potentially could have been left including in our waste stream would have decayed to below background more than 10 months ago.

If you have any questions, please contact: ROS Mark Perna, M.S. at 412-551-9259.

Sincerely,

Peggy Coster
