Hello,

my name is Rafael, I am a master student and i like to find a oldest file from NUREG1824.

In the ADAMs i found just the draft version from November 2014 and the final report from 2016. In the 2013 draft version, written by Stroup and Lindeman there are some notes that in the other supplement relatories dont have.

So, if someone could help me send a link for download the 2013 version i will appreciate the help.

Sincerely,

Rafael Salvagni.
