Re: Docket No. 50-275-OL
Docket No. 50-323-OL
Diablo Canyon Units 1 and 2

Dear Mr. Stolz:

Enclosed are 40 copies of the answers to the following questions:

- 1 - 4 of your letter dated 11-09-77
- 5 - 49 of your letter dated 12-09-77
- 50 - 54 of your letter dated 12-27-77
- 55 - 58 of your letter dated 01-30-78

Five copies of this submittal have been sent directly to Mr. Dennis Allison.

The answers to Questions 33, 38 and 53 are supplemented by addenda 1, 2 and 3, respectively. These addenda consist of test reports and color-coded, full-size drawings. However, their bulk and the time-consuming hard labor required to produce these addenda prevent general distribution. Five copies of the addenda have been sent directly to Mr. Dennis Allison.

The questions and answers will be incorporated into the report, "Diablo Canyon Fire Protection Review" which was submitted as Amendment 51 to our operating license application.
