Subject: Form 313A (AUD) Incomplete

Discussion: The licensee requested and AU and submitted a Form 313A (AUD). The AUD was incomplete in that it didn't include a preceptor attestation. I contacted the licensee and spoke to Ms. Gianelli, who assists the licensee with correspondence to the NRC. I explained to her that Part II of the form needed to be filled out by a preceptor and submitted. She stated that she will send the additional information
