Joseph M. Hendrie
Chairman, Nuclear Regulatory Commission
Washington, D.C. 20462

Dear Mr. Hendrie:

This is written to request that the San Luis Obispo County Telegram-Tribune be immediately placed on your service list for the Diablo Canyon nuclear power plant (your docket numbers 50-275 OL and 50-323 OL).

The Telegram-Tribune has a circulation of 21,000 subscribers and serves all of San Luis Obispo County, where the Diablo Canyon plant is located.

It is particularly urgent that we be placed on your service list now, because the final round of licensing hearings for the nuclear plant is about to get under way.

Sincerely,

John Harrs
