Ms. Shanley,

In order to complete our review of the request to add 2 AMPs, we need the following additional information:

1. Last page of Florida license listing Dr. Chu
2. Documentation to support completion of operating and emergency procedure training for Ms. Zarger. Alternatively, you may submit confirmation that the training will be completed prior to Ms. Zarger's use of your therapy device.

You may fax the additional information to my attention to 610-337-5269. Alternatively, you may send a signed pdf. Please include Mail Control No. 593138 in your response. Please reply within 30 days or we will consider that you no longer need the requested additions and will void your request. Thank you for your assistance,
