Dear Sir/Madam:

The acting RSO for the license is Stacie Godin, MS. She will be out on medical leave with an expected date of leave being 4/24/17. Patty,
Thank you so much for responding to my phone call. I have attached a letter requesting Carmen Kmety-Stevenson as a temporary RSO, and the Delegation of Authority. Your office should also have received a letter requesting Carmen Kmety-Stevenson be added to our license as an Authorized Medical Physicist, and a copy of the NRC license from her previous employer listing her as a AMP and RSO. Please let me know if you have any trouble in opening these documents or if there is any additional information or documentation you need from me.
Thank you,
