Re: Dockets 50-275-OL
50-323-OL

Dear Mr. Dicker:

Enclosed are copies of the reports for the years 1974 and 1975 submitted to the California Public Utilities Commission concerning redress of areas affected by construction of the Diablo-Midway and the Diablo-Gates transmission lines. Separate reports have been prepared for each year and for each transmission line, and five copies of each report are enclosed.

Kindly acknowledge receipt of the above material on the enclosed copy of this letter and return it to me in the enclosed addressed envelope.

Very truly yours,

Philip A. Crew, Jr.
