Re: Dockets 50-275-OL  
50-323-OL

Dear Mrs. Bowers:

Concerning the scheduling of witnesses at the environmental hearings the arrangements outlined in Mr. Davis' letter seem generally satisfactory. However, it is impossible to know how long the limited appearances will take as well as the testimony and cross-examination of witnesses. In order to avoid having our out-of-state witnesses spend an idle weekend in San Luis Obispo, I propose that Dr. Whipple and Dr. Witzig testify on Monday, December 13. All of our other witnesses will be available December 8-10.

Very truly yours,

Philip A. Crane, Jr.
