SUBJECT: ARCO ENVIRONMENTAL REMEDIATION, LLC, ACCEPTANCE OF REPORT,
CONTROL NO. 593064

Dear Ms. Kezos:

This is in reference to your letter dated February 23, 2017, providing the "Radioisotopes Powered Cardiac Pacemaker Program Technical Memorandum Report XLVIII on the Status of the Clinical Studies of the Nuclear Pacemaker Model NU-5 from the ARCO Medical Products Company, A Subsidiary of the Atlantic Richfield," dated February 20, 2017, in accordance with License Condition No. 12 of NRC License No. SNM-1993. We have reviewed the report and found it to meet the requirement. No further correspondence on this matter is required.

Please note the following issues that should be changed in future reports:

1. Attachment C, Item number X-63 of the report included the name of an individual patient. In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," such information is considered personal privacy information and not to be released to the public. Because we normally make correspondence available electronically for public inspection in the NRC Public Document Room and in the NRC's Agency-wide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>, your submittals should not include any personal privacy information. In this case, we redacted the personal privacy information from the report and it will be made public in accordance with NRC policy. Please ensure future submittals do not include personal privacy information. No further correspondence on this matter is required at this time.
2. The mailing address for our office changed in 2012, and is listed in Condition 12 of your license. Your letter, with the report, was sent to our prior address. Please send future correspondence to our current address:
US Nuclear Regulatory Commission
