

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

June 14, 2017

MEMORANDUM TO: Chairman Svinicki  
Commissioner Baran  
Commissioner Burns

FROM: Victor M. McCree */RA/*  
Executive Director for Operations

SUBJECT: NOTICE OF DIRECT FINAL RULE SIGNED BY THE EXECUTIVE  
DIRECTOR FOR OPERATIONS (RIN 3150-AK03; NRC-2017-0089)

On June 14, 2017, I approved a direct final rule, along with a companion proposed rule, that amends § 72.214 of Title 10 of the *Code of Federal Regulations* (10 CFR), "List of approved spent fuel storage casks," by adding Amendment No. 3 to Certificate of Compliance No. 1032 for the Holtec International HI-STORM Flood/Wind Multipurpose Canister Storage System.

This notice informs the Commission that, in accordance with the rulemaking authority delegated to the Executive Director for Operations, I have signed the direct final rule and companion proposed rule and propose to forward them on June 22, 2017, to the Office of the Federal Register for publication, unless otherwise directed by the Commission.

The direct final rule and companion proposed rule do not constitute a significant question of policy, nor do they amend regulations contained in 10 CFR Part 7, "Advisory Committees;" or subpart C, "Government in the Sunshine Act Regulations," of 10 CFR Part 9, "Public Records," concerning matters of policy. I therefore find that this direct final rule and companion proposed rule are within the scope of my rulemaking authority, and I intend to transmit them to the Office of Federal Register consistent with the discussion above.

The direct final rule and companion proposed rule are available in the Agencywide Documents Access and Management System under Package Accession No. ML17094A814.
