PROD. & UTIL. FAC.

Sandra Boston
4709 Windsor Ave.
Philadelphia, PA 19143

2/28/81

Dear Mr. Aheane:
I am writing to protest the opening of Unit 1 at Three Mile Island. I as a citizen of Pennsylvania find it outrageous to continue to rely on energy sources that put us in the position of such danger and loss of property value, not to mention the enormous cost and danger of repairing such malfunctions even when they can be repaired. I say NO to nuclear reactors.
Sandra Boston
