Mr. D. L. Ziemann, Chief
 Operating Reactors- Branch 2
 Directorate of Licensing
 Regulation
 U.S. Atomic Energy Commission
 Washington, D.C. 20545

Dear Mr. Ziemann:

Supplement A to Dresden Special Report No. 18, "Dresden 2 and 3 Safety Valve Investigations," submitted on March 26, 1973, stated that a final report would be submitted by September 1, 1973. The draft of this report is presently in review and it is now anticipated that the report will be submitted during the week of September 17, 1973.

I hope that this delay does not cause any inconvenience to your review of this subject. Should any problems arise concerning the new submittal date, you will be promptly notified.

Very truly yours,

L. D. Butterfield, Jr.
