Dear Steve,

This acknowledges receipt of your letter dated March 23, 2017, reporting an incident involving a failed shutter mechanism on one of your gauging devices containing a Cs-137 source. This incident was identified by your staff on February 27, 2017. The NRC has reviewed your letter and has no further questions at this time. The incident concerning the failed shutter mechanism will be examined during a future inspection.

In accordance with Title 10 of the Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this email will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Please feel free to contact me if you have any questions regarding this event. I can be reached at 630-829-9867.

Best Regards,

Debbie Piskura
