Leslie,

For our fire PRA FAQ public meeting, these two FAQs replace the two with XX's in them.

The one that Mike Cheek mentioned during the RISC meeting.

Also, here are the two FAQs with official numbers, as requested yesterday, plus our numbered list. The HEAF suppression curve one will be coming your way likely next week.

What meeting were you talking about yesterday when you said we should schedule the next fire PRA FAQ meeting in sync with it in March?

Thanks.
