Dear Ms. Bladley,

My concern is about high level radioactive
waste from being transported through
Dallas and Texas and stored in
West Texas.

As a concerned citizen I am
very opposed to this because of
the danger of accidents, terrorist risk,
cost of clean-up in case of accident.

I support legislation that
ensures funding for women's legislative
preventive health care, including
contraception.

I am your constituent. Less than
25% of women receive the services
they need.
