Not unless you would prefer it. I can add this email to ADAMS as the record by which you requested a revised CoC.

At the moment, it doesn't matter to us but we will be using this revision as the basis document for future amendments related to HBU and fabrication. Since this was such a complicated consolidation it might be best that we do consider issuing a revised CoC in order to clean the slate per say. Should I revise the letter?

Bernie,

Today we will be mailing SAR Rev. 18, which consolidates WVDP and HBU. Attached the submittal letter.
