Date: Tuesday, April 11, 2017 12:14:00 PM

Pat,

I have requested new 277s be sent for Marc Dapas, Brian Smith, and Len Wert. They should come sometime later today.

The review of your submittal of GLE-2017-0013 dated March 21, 2017 (ADAMS No. ML17090A395) regarding the non-substantive change to GLEP-00015-R F01 Rev. 5 confirms that the change is non-substantive. This email will be placed in public ADAMS to document this determination.

DOE provided some feedback on your submittal of GLE 2017-0023 dated March 28, 2017 (ADAMS No. ML17100A313) to request a 1 year extension for authorization to operate a classified network. DOE indicated they will provide input following completion of their annual inspection.

Sincerely,

Matt Bartlett
