Dear Ms. Pelke:

We are sending you this letter to notify you of Jim Schuh's retirement at Mallinckrodt Nuclear Medicine LLC ("MNM") on March 24, 2017. Jim served the company in numerous roles through his tenure to improve and strengthen MNM's Radiation Safety Program, most recently serving as the chairman of MNM's Radiation Safety Committee. We are informing you of his retirement as we realize that he has been an important contact in our interactions and communications with the Nuclear Regulatory Commission ("NRC").

Manuel will continue to serve as the RSO and ensure compliance with the licenses and MNM's Radiation Safety Program. Manuel's business phone number is (314) 654-7661. MNM remains committed to radiation safety and intends to continue the development and training of Manuel and the team of health physicists and radiation safety technicians he leads.
