Good Afternoon Norma,

I received the following email below from AREVA addressing RAI Co-1(a). Attached are the MCNP input and output files that your team requested during our call yesterday.

AREVA would also like to know whether or not the supply of these files sufficiently responds to RAI Co-1(a).

Thank you.

Chad,

Please pass the attached files on to Norma at NRC. These are the MCNP input and output files that relate to RAI Co-1(a). The reviewer requested these files during our call yesterday.

Please also ask Norma whether or not the supply of the files sufficiently responds to RAI Co-1(a).

Thank you.
