Expedite_UrgencyToInform: on

Expedite_UrgencyToInformText: The manufacturer of the device in question projects commercialization to occur in 2018. We need to know the department in question's plans for dealing with this disruptive technology, if any, far in advance of any such commercialization.

Waiver_Purpose: To inform the public, via web site, of governmental deliberations, if any, regarding a device purported to utilize a new primary energy source.

Waiver_ExtentToExtractAnalyze: Information will be reported verbatim.

Waiver_SpecificActivityQuals: Information will be used to report, verbatim, any discussion or policy planning relating to the purported new primary energy source and/or its inventors and manufacturers.

Waiver_ImpactPublicUnderstanding: The public is largely unaware that such a device exists. It is similarly unaware of the deliberations, if any, undertaken within relevant government entities.

Waiver_NatureOfPublic: The magnitude of change in geopolitical, governmental and economic arenas brought about by the discovery of a new primary energy source would affect every member of the public in a significant way. The public needs to be informed of its government's contingency plans, if any, in the event that the device in question (the "SunCell") truly represents a new primary energy source.

Waiver_MeansOfDissemination: Via web site articles.

Waiver_FreeToPublicOrFee: Information is free of charge.

Waiver_PrivateCommericalInterest: None.
