PUBLIC MEETING AGENDA

Patient Release Program Regulatory Issues Public Meeting

April 25, 2017, 09:00 AM to 04:00 PM

NRC Two White Flint North, 2B1
11545 Rockville Pike
Rockville, MD

NOTE: The intent of the meeting is for the NRC staff to briefly introduce each of the six questions (questions A-F) and then open the floor to participants in the room and on the phone to hear their views on the question. Each question will be allotted a 55 minute block of time for discussion. The meeting will be webcast (<http://video.nrc.gov>) to permit the public to see the question being discussed. Although the webcast includes audio output, members of the public are encouraged to listen through the telephone bridge line (Phone: 888-790-644; Passcode 6709422#) versus through the webcast audio. This line will be controlled by an operator. Participants will need to signal to the operator by dialing *1 when they want to make a comment. The Operator will take comments in the order they are received, during the comment period at the end of each question.

AGENDA

9:00 Introduction

9:05 Question A “Should NRC require an activity-based patient release threshold under which patients would be required to be maintained in a clinic-sponsored facility (e.g., a medical facility or facility under the licensee’s control) until the standard for release is met.”

10:00 Question B “Should the NRC amend the regulations to clarify the time frame for the current dose limit in 10 CFR 35.75(a) for releasing Individuals?”

10:55 Break

11:00 Question C “Should the NRC continue to apply the same dose criteria of 5 mSv (0.5 rem), to all members of the general public, including family members, young children, pregnant women, caregivers, hotel workers, and other members of the public when considering the release of patients?”

12:00 Lunch Break

1:00 Question D “Should the NRC include a specific requirement for the release of a patient who is likely to expose young children or pregnant women to doses above the public dose limit?”

1:55 Break

2:00 Question E “Should the NRC have a specific requirement for the licensee to have a patient isolation discussion with patients in sufficient time prior to the administration to provide the patient time to make isolation arrangements or the licensee to make plans to hold the patient, if the patient cannot be immediately released?”

2:55 Break

3:00 Question F “Should the NRC explicitly include the time frame for providing instructions in the regulations (e.g., the instructions should be given prior to the procedure)?”

3:55 Wrap up

4:00 Meeting Ends

The time of the meeting is local to the jurisdiction where the meeting is being held.

The NRC provides reasonable accommodation to individuals with disabilities where appropriate. If reasonable accommodation is needed to participate in this meeting, or if a meeting notice, transcript, or other information from this meeting is needed in another format (e.g., Braille, large print), please notify the NRC meeting contact. Determinations on requests for reasonable accommodation will be made on a case-by-case basis.
