Hi Stephanie,

Thanks for your help this morning. Not sure why the portal isn't working on my end.

Per your guidance, my FOIA request follows:

Company: York Daily Record / USA Today Network
Address: 1891 Loucks Road, York, Pa. 17408, U.S.

Description of records:

The most recent electronic database(s) for SPENT FUEL POOL fuel rod assembly levels at all active and decommissioned commercial nuclear reactors in the U.S.

Ideally, this dataset would include (but would not necessarily be limited to):

- Name/ designation of nuclear reactor connected to each spent fuel pool
- Name of nuclear power plant where each reactor/ fuel pool is located
- Capacity of each spent fuel pool (How many fuel rod assemblies fit in it?)
- Current number of fuel rod assemblies in spent fuel pool
- Approximate date when data was collected for each given spent fuel pool

Fee categorization: A representative of the news media and this request is made as part of news gathering and not for a commercial use.

Type of media: Newspaper/ digital news.
