SUBJECT: VOID LETTER CONCERNING APPLICATION FOR NEW LICENSE, CONTROL
NO. 594483

Dear Mr. Shannon:

This concerns the subject application for a new license. In your letter dated April 4, 2017, you indicated that the application was incomplete and that you anticipated submitting the "manual as a supplement to the application within 30 days." Because it will take you some time to submit all the information necessary to review your application for a new license, we are voiding your application. This action is without prejudice to the resubmission of an application. Please refer to NUREG 1556, Volume 2, Revision 1, and resubmit your application. The NUREG is available on the internet at: <https://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v2/>

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Thank you for your cooperation.

Sincerely,

/RA/

Michelle Simmons, Health Physicist
Nuclear Materials Safety Branch B
