Re: FOIA Request

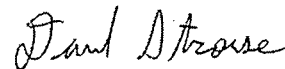

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, as amended, we hereby request the following documents and records in the possession of the United States Nuclear Regulatory Commission:

1. All awards made under RFQ No. NRC-HQ-10-16-Q-0005, regardless of whether those awards have been terminated.

In order to help you determine our status for the purpose of assessing fees, you should know that we are affiliated with a private business and are seeking information for use in the company's business.

Please notify us before proceeding if the search and copying charges are expected to exceed \$500. We will pay charges up to that amount. I can be reached at 202-342-2550 or dstrouse@cohenmohr.com

Sincerely,

Daniel Strouse
